Minky Momo and her animal friends Sindbook, Mocha and Pipil go over to the zoo to see the animals. Among the wild sheep, Sindbook hears a cry for help. Momo takes the Minky Stick out of her pendant and transforms into an animal rescuer.

In this adult form, Momo enters the fenced pasture, and goes to the source of the call for help. The wild sheep make no attempt to attack or harm her. Sindbook, Mocha and Pipil wait anxiously for Momo. They are surprised to see their princess return with a large domestic sheep in her arms.

"Madam, I can walk, you know." He says, causing Sindbook, Mocha and Pipil to cry out in surprise.

Momo puts the talking sheep on the ground and he stands up on his hind legs.

"Phew! Thanks for helping me get out of there. My name is Wooly."

"I'm Minky Momo and these are my friends Sindbook, Mocha and Pipil."

"How can you talk?" Mocha asks.

"Uh, because I can? I've always had a voice."

Momo's animal friends find this very strange.

"I arrived in this world after an episode of Amanda the Adventurer went haywire. I have to get back to Amanda as soon as possible! If she ever gets angry..."

Wooly becomes terrified.

"Don't be afraid." Pipil said. "We'll help you."

"Really?" Sindbook asks Momo.

"Of course!" She said while becoming a little girl again. "All we have to do is find a television."

Momo, Sindbook, Mocha, Pipil and Wooly leave the zoo and look for a television. They find plenty of them in front of a store.

"It's perfect!" Momo says.

She takes out the Minky Stick from her pendant. She utters a different spell from the one that allows her to transform. Wooly disappears. An episode of Amanda the Adventurer begins. Wooly appears on the screen and hugs Amanda. He's happy to have found her.

"Thanks Momo!" He said, as Amanda looked on in surprise.

Momo, Sindbook, Mocha and Pipil watch the episode then they set off on another adventure.
